

# BURNHAM BENEFITS

## *G2 Employee Benefits Partner*

Our employee benefits strategic partner, [Burnham Benefits](#), is a California-based, full-service employee benefits consulting and brokerage firm with offices throughout the State. The privately held firm is one of the largest in California and one of the few to specialize solely in benefits. The group provides a full spectrum of strategic and tactical benefits solutions and effectively manages more than \$1 billion in premiums for more than 300 clients, while maintaining a more than 98 percent client retention rate and a 20 percent annual growth rate.

Burnham provides client-first health and wellness programs, and through its strategic partnership with [Burnham Gibson](#), also provides retirement planning and wealth management services. Burnham's team of more than 70 highly skilled industry professionals includes in-house underwriters, compliance officers and attorneys, healthcare reform experts and consultants, communications specialists, and wellness champions. The firm holds national recognition as *Business Insurance's* #1 Best Place to Work in Insurance 2013.

Burnham has the experience and expertise to make a positive difference for our clients. They are able to provide our clients with access to the resources they need in order to control costs, work smarter, offer more, and make the benefits decisions that best fit the unique needs of their respective workforces.
